7. Cllr Scott Emery reported on the process for CIL (Community Infrastructure Levy) spending in Haringey for the coming year. Round 2 will begin this summer and there is currently £61,000 in the neighbourhood portion of CIL for Highgate. HNF will be engaging with the Haringey Planning Policy team on this over the summer.

8. Discussion: Towards a Highgate Healthy Neighbourhood

Presentations from:

- Growing Green on proposals for Swains Lane
- Maria Kramer on latest research on LTNs

FOR HIGHGATE
HIGHGATE NEIGHBOURHOOD FORUM

- Alicia Pivaro on HNF proposals and maps

A lively discussion followed on how traffic congestion can be eased + how the need for more active travel options can be balanced with the current needs of (particularly elderly or disabled) residents and businesses in Highgate for car access and parking. HNF is endeavouring to bring Councillors, Council officials and residents' groups together to take this forward.

9. AOB – none
